Council To Seek State Board Aid

THREE THOUSAND TO REGISTER WITH BOARD 103

Speeding up the induction and subsequent training of America's armed forces of selectee-soldiers, approximately three thousand men will register with Daly City draft board No. 103 in a three day registration period commencing Saturday morning at 7 a. m.

In order to speed the conclusion of the third registration, Dr. J. C. McGovern, chairman of the local draft board, announces that the board moved to hold separate registrations in Daly City, Colma, South San Francisco, Sharp Park, and Brisbane. Men in Daly City will register at the city hall in the selective service headquarters, room 23, while men in the South End district will register at the Colma firehouse.

Obliged to register in this sign-up are all men between the ages of 20 to 44 who have not previously registered for selective service. Those who have already registered are not supposed to register. In simplifying the age limit, all men who were born on or before December 31, 1921, and who have not previously registered must do so within the three days, Saturday, Sunday, and Monday. The registration headquarters will be open between the hours of 7 a. m. and 9 p. m. each of these three days.

Registrars will be present at the headquarters in each district to assist the men in registering. An advisory board will also be on hand to aid the registrants in filling out the registration blanks.

Heading the adviosry board in Daly City is R. C. MacArthur, who was appointed by Brigadier General Joseph O. Donovan, state selective service chief. MacArthur was recommended by the Daly City draft board. He will announce the other members of his committee at a later date, as the committee is not yet complete. This committee will aid the draft board following the sign-up in determining classifications.

BUSINESS MEN ONLY

We hear a lot these days about beating the Japs—and good talk it is, because we've got to win this war. But just as important a job to local business and professional men is the problem of keeping "Everything as Usual."

The Record is actively engaged in dozens of programs to help win the war. Now we're sponsoring a program to keep the "Business as Usual" sign hung up in Daly City. We call it our Victory Advertising Program. It is an inexpensive feature styled to keep up busin-

A. W. V. S. To Show What To Do In Raid

Designed to aid the Civilian Defense Council in safeguarding the civilian population, the Colma District unit of the American Women's Voluntary Services will sponsor a three hour lecture and demonstration on air raid precautions, tomorrow at Colma Community center. The meeting is scheduled to begin at 1 p. m.

Mrs. William Palmer, noted authority of the A. W. V. S., will deliver the lecture to the group and will supervise the demonstration. The lecture is a summary of the regular A. W. V. S. course in air raid precautions, and the lecture has been especially prepared for women who wish to learn about air raid precautions but do not have sufficient free time to take the regular course. The meeting is open to the public.

In progress now at the Community Center, the first aid class of the Colma A. W. V. S. has shown a fine attendance at every meeting.

Mrs. Estelle Packwood, chairman of the committee in charge of the unit's fund-raising drawing, reported successful progress.

Band Honors Conductor George E. Brenner At Sunday's "Grand Patriotic Concert" At Jeff High Auditorium

Before a large and enthusiastic audience at the Grand Patriotic Concert presented, Sunday, by the Daly City Band, at Jefferson high school auditorium, George Brenner, conductor of the musical unit, was presented a gold, engraved cup by the band.

A complete surprise to Brenner, the cup was awarded him by the band in appreciation of his thirteen years of devotion to the musical unit since it originated. The presentation was made, on behalf of the band, by Tipton Banks, drum major, at the beginning of the concert.

The concert was sponsored by the Daly City WPA Recreation department. Henry Sundermann, member of the city council, delivered the introductory address, and Judge John J. Fahey jr., gave an address, pointing out the need for the American people to preserve their morale in such a vital chapter of the nation's history.

DEFENSE COUNCIL PLANS MASS DEMONSTRATION

Daly City's Civilian Defense Council is laying plans for a mass demonstration of all volunteers of the community, Sunday, in which a complete drill for every organized department of the unit will take place. The drill is scheduled to begin at 9:30 a. m. and all of the civilian defense workers have been ordered to be at their posts on time.

A master committee, composed of Arthur J. Bodien, chairman of the Civilian Defense Council, and three other members, Police Chief James G. Reardon, Chief Air Raid Warden Julius Twesten, and Fire Chief A. P. Chesney, will dispatch the drill from the Civilian defense headquarters in the city hall. The drill is one of the first of its kind in the Bay region.

San Francisco civil defense officials and members of the San Mateo county Civilian Defense Council will be present at the drill. Bodien said that the volunteers must "be prepared for anything" in the way of a drill.

The wardens, auxiliary police, and all other civilian defense workers will not be forwarned as to the type of problem they will be required to cope with in the drill.

Full use of the communications system will be made during the mass demonstration. Senior air raid wardens and the division heads' homes are all equipped with the telephones, the lines of which are held open during a major disaster. The homes of the senior wardens will serve as the headquarters in their respective districts.

First aid squads which have recently been formed will also participate in the mass demonstration, Sunday. R. L. Crane jr., supervisor of the first aid division, expressed the continued shortage of men in the first aid squads. He said that classes can still be arranged for any volunteers who will sign up.

Chief Air Raid Warden Twesten also made an appeal to the community for the need of additional female air raid wardens for the purpose of forming a ladies' auxiliary organization. He

Postpone South End Streets Suit

Originally scheduled for court action, Friday, the suit filed by South End property owners against the assessment of the Daly City city council to be held in Redwood City, was postponed until a date next month.

The suit was filed after the council adopted a resolution authorizing the assessment of a street improvement project in the South End territory at a protest meeting in January. The protest meeting was called by the taxpayers, claiming that the levy exceeded the estimate submitted to them, thereby making the assessment illegal.

Representing the taxpayers in the case, Attorney A. J. Scampini, stated that stipulation in the restraining order may be modified to some extent, which, he said, was one of the chief reasons for the postponement.

Let's Make The Japs Say 'Uncle'!

Here is a preview of the attractive signboard that will soon be seen along the highways and streets in this vicinity as a result of a fine display of patriotism on the part of the Empire Advertising company, a Daly City firm. In making the appeal for defense stamps and bonds, Roger Rousille, president of the advertising firm, announced that these signs will extend from the Canadian border to Mexico, covering a span of the entire Pacific Coast.

Artist for the above display is Stan Stoecker, a commercial artist in San Francisco. Not only does Stoecker's work on the picture inspire the people to buy defense bonds and stamps, but it also presents a picture that every American hopes will become a reality soon.

War Scare Fails To Curtail Recreation

Blackouts and the war scare in general have failed to halt progress at the regular evening sessions of the Daly City WPA Recreation department. Nevertheless, Mrs. Lela Campbell, sewing leader, has taken careful precautions to comply with blackout rules.

Fully-supplied with blackout window covers, the class holds a drill at every meeting in practicing to respond quickly in case a real blackout alarm should be signalled. The class meets on Tuesday and Thursday evenings, and, at some time during the evening, Mrs. Campbell signals for the drill with a police whistle. When the whistle is blown, each member of the class takes an assigned post.

Windows are blacked out, and every room in the building is inspected for possible places where light can be seen from the outside.

Police Take Two Boys Into Custody

Two twelve-year old Daly City boys were taken into custody, Monday, by the Daly City Police department after several months of investigation, and charged with burglary.

Investigation proved that the boys, over a period of two years, have broken into at least eleven homes in Daly City in theft attempts. The boys were turned over to County Probation Officer Frank Robinson, and placed in the Juvenile home in Redwood City until the time of their trial.

Trial for the two youths is pending further investigation by Police Chief James G. Reardon.

Anderson Urges Use Of Guayule

Passed by the House of Representatives, a bill to buy guayule rubber facilities at Salinas, has yet to go before the Senate, according to a letter received by Joseph Sarto, from Congressman

JACK ANDERSON

Jack Z. Anderson, who proposed the measure.

When the bill was first introduced, Sarto, local hospital manager, received a letter from Congressman Anderson, telling Sarto of the proposed measure. Sarto stated that, according to Anderson, the present properties at Salinas could quickly be expanded throughout the entire Salinas valley for the manufacture of the guayule rubber.

The present facilities include a thousand acres of plants ready for harvest, twenty acres of seedlings, and 24,000 pounds of seed.

Milt Axt To Coach Football, Track

Football and track will be the chief tasks of Milt Axt, new addition to the personnel of Jefferson high school's athletic department and physical education classes.

Commencing duties on Monday, Axt announced that his coaching duties in Jefferson's sports will begin when he takes charge of the track squad this spring. Axt stressed the fact that he has not yet found an opportunity to see much of the Indian athletic material, but that, very soon, he will have a more complete idea of Jefferson's athletic status.

"Jefferson certainly has a wonderful athletic plant here," the

WANT TO KEEP LAW AND ORDER IN NIGHT SPOTS

Seeking action from the California Board of Equalization in co-operating with local law enforcement in maintaining law and order in Daly City's night spots, the city council, Monday, instructed B. C. Ross, city clerk, to communicate with the state body to be represented at tomorrow's trial of the recent street brawl in Mission circle.

The trial involves a brawl in which counts have been charged against five defendants for resisting an officer, battery, disturbing the peace, and rioting. The trial has been set for 2:30 p. m. tomorrow, in the Daly City court, and the city council expressed belief at Monday's meeting that the State Board of Equalization could profit by having a representative at the trial. The state board, it was pointed out at the council meeting, could gain a representative conception of Daly City's problem in enforcing peace laws.

Proceeding with further business, the council passed a motion to install telephones in Companies 1, 2, 3, and 4 of the Daly City Fire department to meet the need during the emergency.

A communication from the California League of Municipalities asked Daly City's city officials to attend a meeting of the peninsula division at Sunnyvale, Thursday, February 19. Mayor John J. Fahey sr., Councilmen Edmund Cavagnaro, Paul G. Selmi, Julius Twesten, and City Engineer Robert Klassen will attend the meeting.

The council passed a resolution authorizing the abandonment of a portion of Bismark street and East Moltke street.

The council passed a motion to transfer the employment basis from temporary to permanent of the newly employed assistant librarian, Miss Mary Picchi.

Grant deeds from A. Milano and Alice L. Milano for two lots in the Crocker tract were accepted by the adoption of a resolution at the meeting.

Mayor Fahey instructed Daly City Attorney Rudolph Rapsey and City Engineer Robert Klassen to prepare a petition for presentation to the California Railroad commission. The petition is to obtain a permit to establish a grade crossing at the junction of Hillcrest drive and the Southern Pacific Railroad right of way.

The city council called for reports from Arthur Bodien, civilian defense chairman, on the progress made since the last council meeting. In addition to his report on civilian defense, Bodien announced to the city council that

Victory Book Drive Continues

Donated in the drive for reading material for the service men of America, books overflowed the receptacles in the public library, Monday, as the Victory Book Campaign entered its fifth week in Daly City.

County officials informed Mrs. Horace Fellows, chairman of the local drive, that the campaign has been extended for another week in an effort to get more books for the soldiers, sailors and marines. Instead of ending today, as was the original plan, the drive will continue until next Thursday.

"We have been completely swamped with books that have been donated," declared Mrs. Jean O'Rourk, head librarian.

"It is certainly a pleasure to see such a fine display of generosity and patriotism on the part of the Daly City people. I had no idea there were so many fine books in the homes."

Mrs. O'Rourk, with the assistance of her library staff, has completed the huge task of separating the books according to type, and placing them in bundles

By BETTY BARCLAY

There's going to be lots of extemporaneous entertaining this year, especially when the boys dash home unexpectedly from camp. So keep in your file of good things to serve an easy-to-prepare punch that tastes good with sandwiches, homemade cookies and cake. Here's one that will keep you and your young guests on the vitamin standard we are all following today, because the most important ingredient is canned unsweetened Hawaiian pineapple juice, which is a good source of both vitamins B-1 and C.

It's called Paradise Island Punch, and the recipe goes like this: Place one quart of orange sherbet in a four-quart punch bowl. Pour in three quarts unsweetened Hawaiian pineapple juice which have been well-chilled in the can before opening. Garnish with lemon and lime slices and sprigs of fresh mint. Serve at once. Yield: Four quarts.

Broiled Scallops with Bacon

1 box (12 oz.) quick-frozen scallops, thawed
2 tablespoons olive oil or melted butter
Salt and pepper
4 to 6 slices bacon

Place scallops in greased shallow broiling pan; pour oil over scallops and sprinkle with salt and pepper. Broil at medium heat 7 minutes. Turn scallops, top with bacon and broil 10 minutes, turning bacon after 5 minutes. Drain on unglazed paper. Serve hot. Serves 4. This ocean treat is one of the famous resort specialties that quick-freezing has made practical for party refreshments or the family table, no matter how far you live from the sea. All the chores of cleaning and preparing are done before quick-freezing seals in fresh ocean flavor, vitamins and minerals.

Limas a la Francaise

2 cups cooked, dried Limas
3 tablespoons butter
½ teaspoon salt
⅛ teaspoon pepper
1½ cups milk
1 egg, slightly beaten

Place milk, Limas, butter and seasonings in a saucepan. When hot, add egg diluted with milk. Stir until thick.

Orange Chrysanthemum Salad

6 Navel oranges
1 cup unpeeled apple slices
Lemonized mayonnaise
Salad greens

Cut tops from oranges. Remove meat in pieces. Cut orange shell to imitate petals of chrysanthemum. Combine orange, apple and dressing. Fill shells. Serves 6.

Children's Delight

1 package vanilla rennet powder
1 pint milk, not canned
4 or 5 canned apricot halves

Make rennet-custards according to directions on package. When ready to serve top each rennet-custard with a canned apricot half, rounded side up.

Sweet Dreams Punch

4 cups freshly made, chilled decaffeinated coffee
1½ pints ice cream
Grated nutmeg

Pour the decaffeinated coffee over a pint of ice cream in a punch bowl or big mixing bowl, and blend lightly with an egg beater until the ice cream is partly melted. Add additional ice cream in spoonfuls to the punch. Sprinkle with grated nutmeg. Vanilla, coffee or chocolate ice cream combines well with the coffee flavor. Remember, in making decaffeinated coffee, that it needs slightly longer brewing to bring out its full, rich flavor. You and your guests can indulge in second and third glasses of this punch without worry over sleeping problems later on.

Valentine Liederkranz Cheese Canapes

Use slightly stale bread and cut in ¼ inch slices. Cut the slices in squares, circles, oblongs and triangles. Toast one side quickly so that it will not be hard. Crisp crackers and numerous special cocktail and canape crackers also make good foundations, and so does thinly sliced pumpernickel. Spread crackers, toast or bread with Liederkranz cheese, Camembert, and Brie, and garnish with sliced olives, tiny pickled onions, watercress, parsley, anchovies or pimiento. The cocktail cheese spreads, including Blue cheese, which has taken the place of vanished Roquefort, are delicious served on crisp potato chips and short lengths of celery are also appetizing as canape foundations.

Cupid's Magic Candies

⅔ cups (7½ oz. can) sweetened condensed milk
1 teaspoon vanilla
4 cups sifted confectioners' (4X) sugar (about)

Blend sweetened condensed milk and vanilla. Add confectioners' sugar gradually and continue mixing until smooth and creamy. Use between halved nut meats and as stuffing for dates. Or form into small balls and roll in chopped nut meats, shredded coconut, grated chocolate, chopped candied fruits. Or flavor variously and color lightly and form into round, flat creams. Or pat out on lightly sugared board to ¼ inch thick and cut hearts with cookie cutter. Allow to dry for two or three hours. These candies are so easy that even a beginner cook can make them by this magically failure-proof recipe.

Don't Relax Yet!

When the federal income tax is all figured, and a place in the family budget is made for Uncle Sam, it isn't time to relax and "forget about taxes for another year." Because there is the matter of state income tax which also must be taken care of.

Returns for the state income tax are required to be filed by single individuals and married persons not living with husband or wife, and having a gross income of $5000 or more, or net income of $1000 or more. The net income is determined by the gross income less allowable deductions.

Married persons, living together for the entire year, who have an aggregate gross income of $5000 or more, or an aggregate net income of $2500 or more, are required to file returns for the state tax.

Although computation of the net income under both acts is the same, there are certain differences in liability between the state and federal taxes. In many cases, taxpayers will be required to file federal returns but will not be under liability to file state returns.

"All Quiet" Plays At D. C. Theatre

"All Quiet On The Western Front," Universal's truthful and graphic screen presentation of Erich Maria Remarque's famous war novel, which is now playing at the Daly City theatre, in its new uncensored version is a drama of deep human emotions and a timely indictment of modern war.

Now that the truth can be told, scenes removed from this picture before its original release have been restored in full, to tell even more starkly the dross and bitterness of the last war and the present war.

These scenes, as well as new scenes which bring the panorama of war up to date, intensify the drama of Remarque's famous war book and aid in telling more sharply the immortal story of "Paul Baummer," a youth of 18 whose mind, body and soul are subjected to the burning white heat of modern warfare.

Lew Ayres gives a performance that has seldom been surpassed in the role of the youth transformed from a schoolboy in a German village to a soldier boy in the trenches.

Slim Summerville, the late Louis Wolheim and many other players give unforgettable portrayals in the film.

Winner of countless international awards, "All Quiet" has many scenes which remain permanently etched upon the minds of the audience.

Companion feature on the new bill is "Great Guns," with Laurel and Hardy.

COLMA RANCH WORKER KILLED

Instantly killed in an automobile-pedestrian accident, Sunday night, was George J. Desmond, Colma ranch worker, when he was struck by a machine driven by Ernest Beens, San Francisco, on state highway No. 1, at a point about 200 feet from the Junipero Serra boulevard intersection.

Investigation of the accident by the state highway patrol revealed that Desmond was standing in the middle of the road when he was struck, and the driver was unable to stop in time to avoid striking the man.

After the confirmation of Desmond's death, his body was taken to W. C. Lasswell and company mortuary in Daly City awaiting funeral arrangements.

Desmond is survived by a sister, Mrs. Katherine Fitzgerald, San Francisco. Funeral arrangements have not yet been made.

Father Of Faculty Member Succumbs

Members of the Jefferson Union high school student body and faculty board expressed their sympathy to Milton Axt, new football and track coach, on the loss of his father, Herman Axt, Tuesday, February 3.

He succumbed in San Francisco. Funeral services were conducted, Thursday morning, from a downtown mortuary. Internment was private.

Five Classifications

Telephone subscribers in Sao Paulo, Brazil, are listed in the Red Book under five classifications, according to Collier's. They are listed by name, street address, business or profession, post office box and automobile license number.

Something in This Name!

With the recent election of Charles E. Wilson as president of General Motors corporation, there are now three men with this name holding down key jobs in large American industries. The others: Charles E. Wilson, president of General Electric company, and Charles E. Wilson, vice president of Worthington Pump & Machinery corporation.

Sidewalk Trespassing

As the ownership of property on a street extends to the middle of the roadway, both sidewalk and the street are intended only as rights of way for the public, says Collier's. Thus the New York Supreme court has held that a man who stops on the sidewalk in front of another's house and shouts abusive and insulting language at him is a trespasser.

Famous Leaning Tree

The Grizzly Giant, an enormous sequoia tree in Yosemite National park, is known as the leaning tree. It is 209 feet high and leans 18 3-10 feet off center, or approximately 4 degrees and 58 minutes. Research shows that it has been off center for centuries, but is in no danger of falling.

ABRAHAM LINCOLN

In honoring the birth of Abraham Lincoln, born on a Kentucky farm, February 12, 1809, American honors far more than a great statesman.

Of great statesmen and leaders this nation has known many, but few, if any, have captured the hearts and minds of men as has America's sixteenth president, the son of humble, frontier people. Perhaps it is because the life of Lincoln, more than most, embodies the American dream come true. Perhaps it is because his great public addresses have expressed, with unmatched simplicity and eloquence, abiding faith in the principles of free government. Perhaps it is because Lincoln who, during the gruelling period of the Civil War, could manifest the most stern and resolute will, never lost his qualities of deep sympathy, of earthy humor, of compassion for the sorrows and frailties of his fellow men and women.

Were Abe Lincoln, tall, lanky, and somewhat melancholy, to appear in our midst today, people would doubtless ask him for a message. Surveying our teeming cities, great industries, a continent-spanning canopy of green acres and forests, the spectacle of a whole nation arming for a mighty struggle, might he not say, as he said once before:

"This is essentially a people's contest. It is a struggle for maintaining in the world that form and substance of government whose leading object is to elevate the conditions of men; to lift artificial weights from all shoulders; to clear the paths of laudable pursuit for all; to afford all an unfettered start and a fair chance in the race of life . . . Our reliance is in the live of liberty which God has planted in us."

The words of Lincoln are a clear guiding light across the years to the embattled America of 1942. They bear the message of a "man for the ages."

Reading & Writing

By Edwin Seaver and Robin McKown

People like to know what goes on behind the headlines. One proof of that is the success of William Shirer's "Berlin Diary," which to date has sold over five hundred thousand copies, including Book-of-the-Month Club distribution. A recent book by a foreign correspondent who couldn't tell the full story while he was on the job is "From the Land of Silent People" (Doubleday, Doran: $3.00) by Robert St. John.

Robert St. John was a foreign correspondent for the Associated Press. He was in Belgrade at the time the Nazis bombed it for the first time—killing 20,000 out of 300,000 inhabitants and wounding; no one knows how many more. A month later he was in Greece at the time of the English evacuation. His book describes the terrible weeks surrounding these two events.

Mr. St. John describes the Serbs as splendid fighters—and tells why they didn't have a chance against the Germans. He witnessed a whole troop of men trying to stop Nazi bombers—by shooting rifles at them. He saw supplies being sent to these soldiers by means of ox wagons. The German trucks could in a few hours cover more ground than these oxen could in weeks.

In Greece he saw hospitals filled with wounded soldiers—and no doctors and no medical supplies. He saw hospitals machine gunned and the wounded shot over again. We have become accustomed to horror stories but Mr. St. John tells a few that will make your flesh creep.

Finally, in Cairo he sent out his first news story in a month's time. Because of the censor's slashing, this story was limited to eight words: "The Greek evacuation was not another Dunkirk." All that he wanted to say in this first story, and couldn't, is told in "From the Land of Silent People."

* * *

Jan Struther, author of "Mrs. Miniver," who recently returned to New York from a cross-country lecture tour, says that her most terrifying lecture experience came one day in a town in a western State. She had been asked to visit one of the local high schools, when suddenly her escort thrust her before a microphone, with the request that she give an "uplift" message to the students. "I didn't know what to say," Miss Struther reports, "so finally I told them that if one has to get an education, it must be nice to do it with so many pretty mountains around." Her favorite interview question came from the editor of a school paper. "Will you please tell me," asked the inquiring reporter, "whether you prefer Bach or Boogie-Woogie?"

BAND

(Continued from Page 1)

Although the concert consisted, mostly, of the stirring marches of the armed forces, the program was highlighted by numerous special numbers and acts. Miss Alba Canale, vocalist, rendered the vocal refrain of two of the marches, "A Real American," and "Land of Liberty."

Miss Rose, local dance instructress, presented a majorette drill with her dancing school talent in "American Patrol." All the majorettes in the drill are members of the Daly City Band. Dorothy Langensand, skillful baton twirling majorette, presented an act with the band's number, "Anchors Aweigh," the U. S. Navy's song.

Another specialty in the concert was a drum majorette drill by Miss Anna Marie Domecus and Miss Eleanor Benedetti in the "Parade of the Wooden Soldiers." Some of the marches which the band played were: "U. S. Field Artillery March;" "Old Glory Triumphal;" and "Stars and Stripes Forever."

In his address on patriotism, Judge Fahey delved into the history of man in the beginning of time for the source from which patriotism flows, and the reason why one loves his country. Judge Fahey described how first there was the individual who fought for self-preservation, and progressed to the establishment, in turn, of the family, the local, state, and national government.

Judge Fahey made an interesting contrast of the individual's fight for self-preservation and the fight to preserve one's country.

"When a man's country is attacked," Judge Fahey asserted, "his very existence is attacked and the love of himself impels him to fight for his own preservation and the preservation of his country.

"We shall each fight to maintain our society, our country, ourselves, or expire and be ground into the dust by the enemy."

That each individual ask himself "What am I doing to show that I am devoted to the welfare of America," was Judge Fahey's conception of true test of patriotism.

Councilman Sundermann delivered the introductory address at the concert. He demonstrated the need for the tasks which must be done on the home front in the present war. He expressed his appreciation for the presence of the audience, declaring that they were undertaking a patriotic duty as loyal fellow Americans by their presence.

Jeff 130's Win Over Lincoln High

In a close scoring, defensive contest against Lincoln high, the 130 pound cagers of Jefferson high school triumphed over their opponents by a score of 24 to 19. Defense forces of both teams commanded play in the first half, and, while the second half was anything but free scoring, Jefferson was able to score enough to win by the five point margin.

Charley Razzari, the Jeff "dead-eye" forward again led the scoring with a total of 9 points. Kyle was close behind, hitting the basket for 8 points.

Completely outclassed, Jefferson's varsity squad suffered a 44 to 19 loss to the Lincoln unlimiteds. The only semblance of a scoring threat that the Indians boasted was in Bill Freeman, who rang up 10 of the Jeff's 19 points.

The Victory Book Campaign has been jointly sponsored by the American Red Cross, the American Library association, and the United Service Organizations. Books were also collected at the Safeway Store, 6318 Mission street, and the public schools in the Jefferson school district.

Mrs. Fellows stated that the people of the community still have another week to go over their libraries and see if there are any books which could be donated to the Victory Book Campaign. She said that if it is impossible for the donor to get the books to any of the locations of the receptacles, the Red Cross will send some one to pick up the books.

Milt Axt To Coach Football, Track

(Continued from Page 1)

new coach said, "and, although I haven't had a chance to look around much yet, I'm sure that I'm going to enjoy working here."

The need for the new coach arose last fall, when John Matthews, former football coach, was ordered to report for duty in the United States Naval Reserve. After his departure from the school, it became necessary for Coach Albert "B. I." Biggs, athletic director at Jefferson, to carry the full burden of the coaching duties and the large physical education of the boys' division.

With the arrival of Axt, Coach Biggs will devote his full coaching time to basketball and baseball as head coach. Coach Axt will be head coach of football and track.

Coach Axt graduated from Santa Clara university where he majored in physical education. Following graduation he took up his coaching duties at Petaluma high school, and he came to Jefferson from Petaluma.

ESSAY

Students in the U. S. history classes with a b- or over were entered in the Lincoln Essay contest. Winner of the contest will have his name engraved on the Lincoln Memorial plaque in the school library. The plaque was presented by Arthur Bodien several years ago.

ALLIED YOUTH

Fifteen students at the high school have applied for a charter through the national organization of the Allied Youth.

George Grimes, acting president, has been asked to help the national organization in placing an exhibit for the convention of the American Association of School Administrators, the week of February 23.

Besides the charter members, twelve teachers have signed for membership.

Student charter members include: Mary Lou Becker, Bruce Davis, Chester Carlos, Tillie Castro, Mary Fillmore, George Grimes, Ardis Hatton, Jim Hickman, Peggy Jones, Dorothy Kampa, Isabel Rivera, Carmel Robin, Joe Rodriqueiz, Mildred Thompson, and Betty Wise.

Faculty advisors are Thor Krogh and Miss Martha Springer. The sponsors announce that a Valentine party and dance has been planned for tomorrow afternoon.

The charter is expected to be formally presented by Roy Breg, national executive secretary, during the first week in March.

NATURALIST SOCIETY

At a recent meeting of the Naturalist society, Leslie Greig was chosen to head the group as president for the coming semester. Other officers include: Sophie Sikeotis, recording secretary, and Lenore Ross, corresponding secretary.

Greig announces the group has a full program for the semester. Field excursions and trips to nearby museums are but a few of the activities planned.

MARCH OF DIMES

Roy De Vincenzi, president of the student body, has announced a special benefit assembly for the March of Dimes. The affair will be held tomorrow afternoon during the regular assembly period.

A double feature will be the afternoon attraction. "The Man Without A Country" in technicolor, and "The Little Big House," an all monkey cast, will be shown. Admission is by March of Dimes buttons only. The buttons have been on sale all during this week.

STUDENT BODY CARDS

If you haven't bought your student body card for the coming semester you had better hurry and do so. These privilege cards entitle the bearer to enter dances, school activities, games, swimming pool and gym at a reduced rate.

The spring cards have been on sale since Monday. They can be purchased from 8 to 8:15 a. m., both lunch periods, and after school for fifteen minutes.

TOTEM POLE

First editions of the Totem Pole for the spring semester were in the students' lockers last Thursday.

Clive M. Saiz, journalism instructor, announces the following members of his staff: Betty Inks, editor; James Huston, associate editor; Robert Nava, Charles Razzari, boys' sports; Earlyn Barker, girls' sports; Helen Nordquist, feature editor; Eugenia Rich, circulation manager; Razzari, Walter Cavagnaro, art editors; Josephine Cipresso, Gloria Tooth, Ruth Larson, Sophie Sikeotis, Cavagnaro, printers. The staff offices are tentative and subject to change.

SENIORS

The June graduating class is expected to be exceptionally large this semester, according to Mrs. Marjorie Reandeau, senior sponsor. The class at the present time consists of one hundred and twenty students.

C. S. F.

Members of the C. S. F. met, Friday afternoon, to choose their new officers.

Miss Martha Springer, faculty advisor, states that the new officers will be announced later. At the present time the members are busily engaged in making up the list of new candidates for the coming semester.

Music

INDIANS OF RHYTHM

Howard Miguel, director of the Indians of Rhythm, announces the following new members have been added to his band: Richard Doffsen, Ray Frates and Eddie Zugar.

Miguel announces that tryouts have been going on for the addition of several accordian players.

At the present time the group is busily working on popular dance tunes for the Allied Youth dance tomorrow afternoon. The get-together will be held in the new building between 2 and 3 p. m.

The personnel will travel to Sharp Park, next week, to present a program for the members of the P. T. A.

Sports

Miss Juanita Young and Miss Ella Redkey, physical education instructors, announced the following sports schedule for the coming semester.

Sports will start out with basketball followed with volleyball and softball. Swimming will start as soon as the pool is opened in March.

During the swimming periods, practice will be held for the spring water pageant and not for G. P. A. L. points.

Badminton will run along with the three other sports.

G. P. A. L.

Esther Hanel, president of G. P. A. L., is holding a meeting of the group tomorrow afternoon in the gym. Purpose of the meeting is to elect spring officers.

Miss Hanel announces that all members who wish to sign up for basketball should do so at once. Sign up sheets are on the bulletin board in the girls' gym.

Campus Fashions

Hats used to be the high school girl's pet lemon, but no more. According to leading milliners, hat designers have more than outdone themselves to make the younger set outstanding with chic curl catchers during 1942.

If your pocket book is just a wee bit lean, get some bright colored cotton mesh and balls, like that on grandmother's favorite portiere, and sew it to the crown of your last year's hat. To add another touch of newness to your outfit, crochet a smaller cover for your purse.

An eye catcher is a big brimmed black felt hat with pink, blue and lavender birds caught fetchingly on the under brim.

For girls who like to give side previews, a beaver profile hat is quite popular.

A flattering off-the-face brimmed hat for sport wear is now being featured at your favorite store. It's fashioned in deep turquoise blue velour, with its brim outlined with a mallard duck feather.

This week's campus bouquet goes to a new comer at Jeff. She was graduated from a junior high in San Francisco and came to Jeff six months ago. She has pretty chestnut brown hair, blue eyes and a pleasing personality.

She was fetchingly dressed in a maroon corduroy suit and beige sweater.

She is a sophomore, has a pet peeve against "youngins" who are superstitious, loves swimming and collects pennies. So to you Rozelpha Oberg goes this week's fashion bouquet.

Write To Washington For Navy Information

Security of U. S. Navy personnel, now spread throughout the world, is of such vital importance that NO queries regarding the location of individual officers and men can be cleared through local offices of the Navy, Twelfth Naval district announced today.

All inquiries must be directed to the Chief, Bureau of Navigation, Navy Department, Washington, D. C. Those seeking information must furnish adequate proof of identity as relatives or guardians of men in service. They may then be told the name of the ships to which their relatives or wards are attached but under no circumstances will they be told where the ships are operating. It is urged that any such requests be kept to a minimum.

"Blossom Time" To Open At Curran

When "Blossom Time" comes to the Curran for two weeks beginning Sunday night, February 15, with matinees on Wednesday and Saturday, a rare treat is in store for local music lovers who will have the opportunity of hearing such celebrated pieces as the "Serenade," "The Song of Love," "Lonely Heart," and other Franz Schubert melodies rendered by the finest singing unit ever presented in a popular play.

Especially selected by the Shuberts for the twentieth anniversary presentation of "Blossom Time," the stellar cast is headed by Everett Marshall, the distinguished baritone formerly with the Metropolitan, who is starred in the role of Franz Schubert. Supporting Marshall are singers who have been recruited from grand opera, the concert world and the outstanding music conservatories of the country. For the role of the beautiful and bewitching Bellabruna, the producers engaged Marthe Errolle, the talented contralto who appeared with the Cincinnati Opera company for a number of seasons.

The part of Baron Schober is played by Frank Hornaday, one of the finest tenors in the world today. Playing opposite Marshall is Patricia Wing, one of Schubert's newest singing discoveries; a graduate of the Damrosch conservatory.

Not in all the twenty years of its spectacular history has "Blossom Time" had a cast comparable to that of the present production.

Are you PREPARED to ENJOY HOME MORE now that YOU are AT HOME more?

ALARMS BLACKOUTS RESTRICTIONS

Ask at any P. G. & E. office for our handbook of suggestions on how to prepare your home for a Blackout.

You are spending much more time at home. There is more neighborliness too. Living rooms and playrooms have become nightly centers for quiet, comforting entertainment.

Is your living room and playroom prepared for this purpose with adequate and proper lighting? Is the light sufficient and properly diffused for easy seeing? Does your present lighting do all it can to make rooms more cheerful, attractive and comfortable?

Good lighting should serve to ease eye-tasks as well as enhance the beauty or eye-appeal of your home furnishings. Mere brilliance of light is hard on the eyes and causes ugly shadows in a room. Good light is light that is well diffused, soft, glareless and easy on the eyes.

A good selection of efficient and attractive lamps and fixtures is still available. You will have no trouble choosing the styles you will like. They are reasonably priced too! Start enjoying good lighting on the home front tonight.

Universal Press Wins Sheriff's Cup In Daly City Bowling League

The Daly City Bowling league came to a close, Friday, when Universal Press was named as winner of the Sheriff's cup, after having clinched the championship the previous week.

Sights are now set for the next two weeks when the teams will compete in the playoff to determine the complete league standings. The top four teams will play each other in the playoff, and the four teams of the second division will play off for the final standings in that division.

Opening the playoff, tomorrow night, Universal Press will roll with the Sheriff's office; Daly City Cleaners with the Colma Vista Grande Eagles; Milo's Market with Conci's Shell Service; and Curry's Barbers with the Daly City-Colma Lions.

"Doc" Ratto, star bowler with the champion Universal outfit, finished the season with possession of the high individual singles record, having rolled a 253 score. After a neck and neck race that was determined only by the final round of play, Ben Schindler, of the Sheriff's Office, nosed out Persson, Conci's, for the high season average among the individual players. Both players finished with a score of 176, but Schindler won with a higher pin score.

The Sheriff's office showed consistency during league play by finishing the circuit as both the high games team and the high series team. The Sheriffs had a 980 tally for single games and a 2692 score for the series.

In the last week of play, Friday, no team made a clean sweep of a series. The second division Curry's Barbers defeated the Universal team; the Cleaners won over Conci's; Milo's defeated the Lions; and the Sheriff's Office won over the eagles.

The standings:

Breaks Into Print

Daly City broke into the metropolitan news, Thursday, when Dick Chase who writes a column, "Little Stories About People" in the San Francsico News, summarized Daly City's civilian defense program. He pointed out the fine reputation it has for quick organization after the attack on Pearl Harbor. He gave an account of the appointment by **Mayor John J. Fahey** of the Disaster Preparedness and Relief committee two years ago, and of the organization efforts of **Arthur J. Bodien**, chairman.
